Feb. 28: "Sarah Grimland, aged 60 years, died yesterday of pneumonia at the home, seven miles north of the city. The funeral will be held at 2 o'clock this afternoon, with interment at Union Camp Ground cemetery."

GOLLNICK There is a concrete enclosure around what appears to be 3-4 graves at the south edge of the cemetery. E. M. Gollnick operated a stock and dairy farm to the east of the cemetery, and he is the one who built the large concrete dairy barn and two concrete silos at either end as well as the concrete structure at the site of the spring, probably a milk house. He also probably poured the concrete foundation to enclose the graves of his children. They are reported to have lost 3 children during the time they lived there between 1897 (when they bought) and when they sold in 1917. It has also been reported that tiger lilies grew around the base of the enclosure and in the spring of the year it was a very pretty site. In the Greene Co. MO Census of 1910. E.D. 55, Sheet 9, North Campbell Twp. Family 170-176, is E.M. Gollnick age 44 born in Germany; wife Annie age 38; married 19 years. She has had 10 children and 9 are still living: Leo, son, age 18 b in MN; Leonie, dau, age 16 b MN; Lenard, son, 14 MN; Buela, dau, age 12 b MO; Blanche, 9 MO; Teddy 7 MO; Mary 5 MO; Lottie 4 MO; and Eugene 9/12 MO. The one year old son that died 4 Oct 1900 would fit between the 12 year old and the 9 year old. Listed below are the names of the Gollnick children buried in the enclosure.

THOMAS

Eliza 22 May 1820 6 Jun 1849 w/o W.A. Thomas
Stone broken in 3 pieces. Verse on bottom of tombstone:

You ___ to God angels greet her,
___ join the seriph band
___ are springing now to meet her,
___ that glorious spirit land.”

1850 Census of Greene Co. MO. Woodson Thomas

M MO; Mira M. 3 F MO; James A. 1 M MO.

This broken stone of Eliza Thomas was found outside
the boundaries of Union Campground Cemetery,
almost due south of the Gollnick concrete enclosure,
beyond the fencing on the south side.

Note: The census lists Eliza's age as 33 in 1850. If date of
birth is correct on the tombstone (22 May 1820)
she was 29 years old at the time of death in 1849.

The children (Celia, Demarius, Sarah, Abigail, and Robert)
listed in the 1950 Gr. County census are children of Woodson's
first or possibly 2nd wife, Abigail Hackett, whom he married
18 Feb 1834 in Guildord Co., NC. Woodson was married
possibly 4 to 6 times. Eliza is presumed to have died before
Woodson married again in Aug. 1851, twice more before he
died in 1862, though it may be divorced some of these wives
who were still living when he remarried. First wife's name is
unknown. This wife was the mother of Tom King's ancestor,
Julie Thomas Crouch King, who first married in 1849 in Gr.
Co. to William Crouch. Note: Tom King sent the last
paragraph's information after viewing our website.
